

Registration Instructions

Before or after your first Protecting God's Children session (but not both), you will need to register with the VIRTUS Program. This is required of all participants. If you do not have Internet access, and cannot temporarily gain Internet access via school, university, library, work, home or other means, please register with your Facilitator or your VIRTUS Coordinator.

Go to: VIRTUS@Online (virtusonline.org)

On the left-hand side of the page, click the yellow link labeled "Registration."

Choose the name of your organization from the pull-down menu by clicking the downward arrow and highlighting your organization. Once your organization is selected, click "Select."

Create a user ID and a password you can easily remember. This is necessary for all participants. This establishes your account within your Diocese and the VIRTUS program. If your preferred user ID is already taken, please choose another ID. We recommend the use of email addresses as user names. Click Continue to proceed.

Provide the information requested on the following page. Several fields are required, such as name, address, phone number and e-mail address. Click Continue to proceed.

- If you do not have an email address, consider obtaining a free email account at mail.yahoo.com, or any other free service. This is necessary for your VIRTUS Coordinator to communicate with you. If you cannot obtain an email address, enter: noaddress@virtus.org. This will notify your VIRTUS Coordinator that you do not have an email address.**

- If you do not have personal Internet access, and you are not able to obtain temporary Internet access for one hour per month, complete the registration process and your VIRTUS Programs Coordinator will contact you. Other options are available for your continued training.**

Select the PRIMARY location where you work, volunteer or worship. You will be able to select additional locations later if you serve at multiple locations within your organization. Click Continue to proceed.
