Dear St. Leo Parish,

During these past few weeks of our Stewardship of Treasure Campaign, we have been talking about gratitude and how we can foster a greater connection to God. Everything we have, and all that we are is a gift from God. When we recognize all of our abundant gifts, we are also called to reflect on those gifts and live out our faith fully and with gratitude.

With that in mind and with that gratitude in your heart, I invite you to complete and return the commitment card you will find in the pews or go online at www.stleoparish.org. Your stewardship pledge allows us to use God's gifts in service of others and to advance the mission of our Church. It is your generosity and support that makes all our work possible.

As we close out our annual stewardship campaign, it is important to remember that we are not only members, but the living embodiment of the faith community of St. Leo Parish. And as a faith community, we will maintain our focus on helping others encounter Christ and embrace His mission.

Sincerely,

Fr. Michael Rademacher
Pastor
St. Leo Parish

Gratitude starts when we recognize that we have received a gift.
