LITURGY SCHEDULE

Saturday - 5 PM

Sunday - 8 AM, 10 AM, 12:30 PM

Monday - Friday - 9 AM

"Jesus' thirst was not so much for water, but for the encounter with a parched soul. Jesus needed to encounter the Samaritan woman in order to open her heart: he asks for a drink so as to bring to light her own thirst. The woman is moved by this encounter: she asks Jesus several profound questions that we all carry within but often ignore. We, too, have many questions to ask, but we don't have the courage to ask Jesus! Lent, dear brothers and sisters, is the opportune time to look within ourselves, to understand our truest spiritual needs, and to ask the Lord's help in prayer. The example of the Samaritan woman invites us to exclaim: "Jesus, give me a drink that will quench my thirst forever".

I ask you, and myself: "What is your interior water jar, the one that weighs you down, that distances you from God?". Let us set it aside a little and with our hearts; let us hear the voice of Jesus offering us another kind of water, another water that brings us close to the Lord."

~ Pope Francis 2014

We
pray
for

Sick: Fr. Jerry Chapdelaine, SJ., Diane Sonneman

Deceased: Mike McNeil, Edward McLoughlin.

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them.

If your loved one is facing surgery or has a chronic health condition, they can receive the sacramental Anointing of the Sick after any mass. Just notify the priest of this need either before or after mass.

Don't forget our retired Jesuits at Los Gatos!

Many Jesuit priests we have known through St. Leo's and Bellarmine do not get much mail or attention at the Jesuit Retirement Center in Los Gatos. Someone who visited recently suggested they would appreciate getting letters or cards from our Tacoma community.

You can send them to the Sacred Heart Jesuit Center; 300 College Ave, Los Gatos, CA 95030.

SUPPORT RICE BOWL THIS LENT

“It’s especially important this year for us to step up and support CRS where we can try to fill in the gap to make sure we care for people, because other areas of funding are not available right now to help global communities,” said Jenna Rummelhart, operations director for the archdiocese’s Department of Parish Vitality and Mission.

Lent this year begins with funding for projects supported by the U.S. Agency for International Development suspended, a move that was announced in one of the first executive orders signed by President Donald Trump on Jan. 20, the day he was inaugurated.

CRS is the U.S. bishops’ international humanitarian agency, and according to its most recent annual report, more than half its annual budget came from USAID. In fiscal year 2023, with a budget of nearly \$1.5 billion, the agency helped more than 210 million people in 121 countries, in areas including health, agriculture, capacity strengthening, water and sanitation, education and emergency response.

While there have been federal court orders to pause the suspension of USAID funding, and the announcement of waivers to deliver some lifesaving aid, much of the 63-year-old agency has been dismantled and reports indicate that aid is not flowing.

“People still have needs that were being met by CRS,” said Jose Coronel, director of the archdiocese’s Office for Human Dignity and Solidarity and associate director of the Department of Parish Mission and Vitality. “Just because there’s a freeze, that doesn’t mean that the needs are gone.”

In an appeal to supporters to contact their congressional representatives, in early February, CRS posted a sample letter on its website that says, “Without this funding, children are being denied lifesaving medications. People are going hungry. Entire communities don’t have access to shelter or clean water. The situation is dire.”

(<https://www.chicagocatholic.com/chicagoland/-/article/2025/02/19/support-for-crs-rice-bowl-this-year-is-critical-leaders-say>)

St. Leo Church has been a champion of Catholic Relief Services (CRS) for decades! **During this Lent Season, it is most critical to step up to support those in need around the globe!** Push back against the assault on democratic principles and those made invisible by poverty and apathy!

Give to RICE BOWL TODAY. WE can make a difference and be the GOOD NEWS this world needs!

We are in the Season of Lent: The Face of Jesus

Please join us for the **Stations of the Cross on Friday, April 4th**. We will begin with a simple soup supper at 5pm in Bix Hall, then at 7pm prayerfully gather in the Church for prayer and thoughtful reflection on the passion of Christ in fearless motion towards Love and forgiveness. For more information, please read the flier in this parish bulletin, check our website or just contact Rick at the Parish Office.

We are called to speak TRUTH to power!

"Over the past six weeks, CRS has had to halt much of our U.S. government supported work due to the lack of payments: food in warehouses could not be distributed to the hungry and women and children could not get vital health and nutrition services.

In addition, last week's termination of dozens of CRS' life-saving projects will permanently cut off critical aid to more than 20 million people worldwide. Eleven of these terminated projects had received humanitarian waivers.

These programs do more than save lives. They help lift communities and countries out of poverty. They support local faith-based and church partners that provide services and stability to their communities and to their countries.

In the Holy Season of Lent in this special Jubilee year, Pope Francis invites Catholics and all people to become artisans of hope by building communities rooted in solidarity. CRS programs attend to the needs of very poor communities. As the most powerful and wealthy country in the world, our government also has a moral responsibility to assist the most vulnerable. As Pope Paul VI said in his encyclical Populorum Progressio: "It is a very important duty of the advanced nations to help the developing nations."
