Coming Soon

Beginning September 28th, we will have a combined bulletin for the St. Leo and St. Charles Parish Family.

This will ensure consistent communication and timely updates for all parishioners.

"We acknowledge with gratitude and humility that St. Leo Parish is on the unceded territory of the Puyallup Tribe which our indigenous sisters and brothers have recognized as sacred and have cared for throughout the generations."

A Message from Father Michael

Lots of building in our parish family

When I look at the construction underway on each of our parish campuses, I am grateful to our generous donors who have made all this work possible. We're seeing real progress and that's very exciting.

A building committee will help us with completion of the St. Charles Borromeo office building

As I mentioned a couple of weeks ago, we really appreciate the work that Fr. Mike, the Archdiocesan Office of Property and Construction, and Hilger Construction have put into our new office building. To help guide the final phase of this project, I have invited a small building committee to offer consultation and support. The group includes Katie Dale, Dennis DePaul, Pat Feist and Larry Treleven along with myself and the following staff members: Shanon Koenen and Eric Paige.

The group will assist with design decisions, evaluate change orders, plan for occupancy and help ensure the project serves the needs of our community. I really appreciate the help of this group as we enter this critical phase of the project.

We will move into the new building thoughtfully and deliberately

Like you, I am very eager to see the office building project completed. Our architect and Hilger Constructions are doing everything they can to keep the project on time (and on budget). This part should move quickly.

However, when it comes to moving in, I want to emphasize intentionality over speed. How we occupy the new space will effect how we work together. That's very important. That's why we must carefully consider how we allocate offices and other spaces. Let's resist the temptation to reenact the Oklahoma Land Rush of 1889, racing in to claim open space, and instead think through our occupancy with an emphasis on the best use of this valuable resource for the whole parish community.

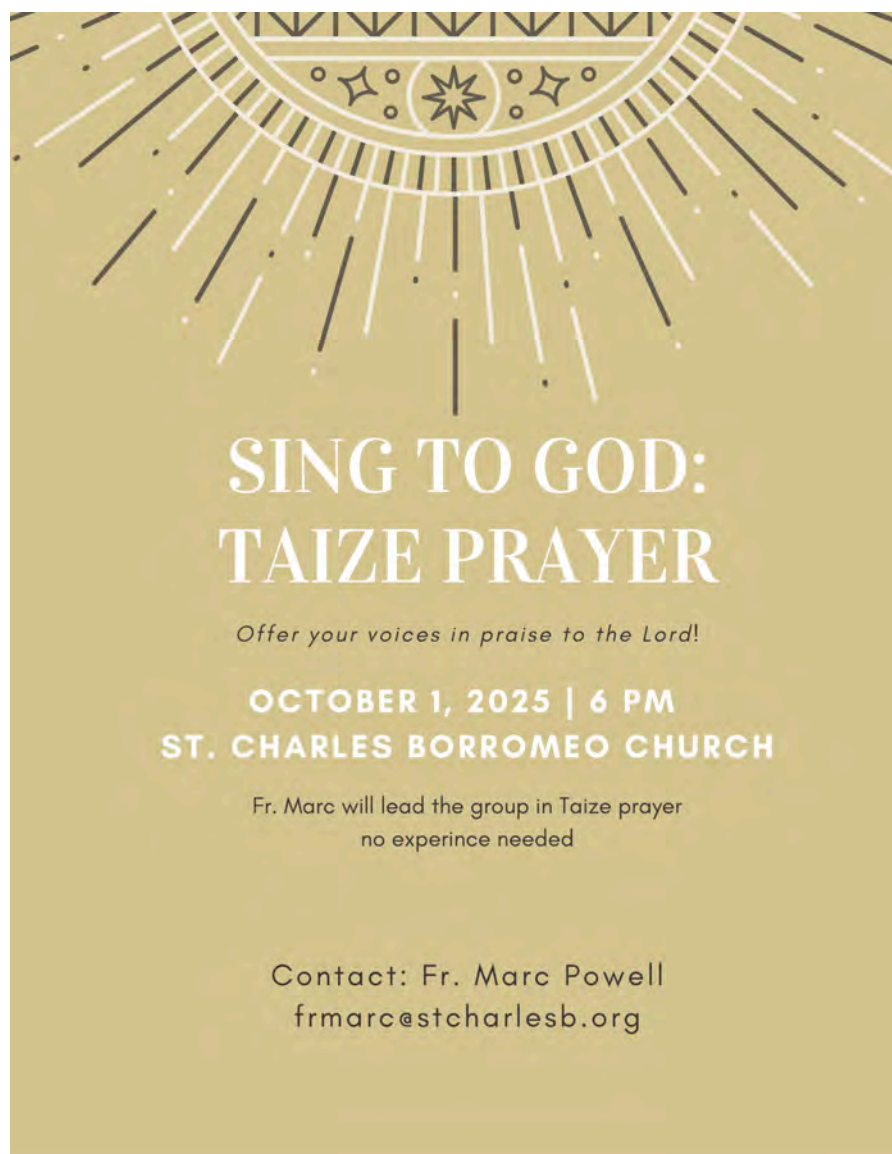

The same thoughtful approach should be used when we decide how to use the spaces currently occupied by our staff. Space for ministry is always in high demand. That means we need to be discerning in how we allocate our limited space. Thanks in advance for your patience with all this.

Good news on the St. Leo fence project

You may have noticed the progress on the St. Leo security fence project. It looks really good and I am pleased to share that the project is scheduled to be complete in mid-October. Collaborating on this project with Catholic Community Services (CCS) has proven very successful. Even now, the site already feels more safe and secure for staff, volunteers and the people we serve. Thank you so much for your support on this project!

Jubilee Year Immigration Pilgrimage of Hope:

On Saturday, October 4th, join Catholics from across Western Washington in a special Mass service and a pilgrimage to the ICE Processing Center in Tacoma to show solidarity and express hope and compassion for detainees and all immigrants. In the spirit of the Jubilee year of hope, Catholics throughout Western Washington are called to be pilgrims of hope. As part of Catholic social teaching, we express this hope by praying for, being in solidarity with, and showing compassion for immigrants.

We will be gathering at 9:30 am at St. Leo Church for opening remarks and instructions for the pilgrimage. The group then processes down to the Northwest Detention Center at 10:00 am. An outdoor mass will be celebrated outside of the detention center at 11:15am with the conclusion of the event at 12:15PM. Van service will be provided for those who need transportation to and from the detention center.

WE NEED VOLUNTEERS! If you are interested in volunteering for the event or would like more information, please contact Rick TEXT 253 229-4114. Also, if you plan to attend this event please register through the link below:

Moving Forward on organizing the works of Social Justice:

Food Justice Ministry

Over the past year and a half, with the assistance of the Intercommunity Peace and Justice Center we have formed a core group of parishioners focused on addressing food insecurity in our community and the need to support our Food Bank and Food pantry miniseries:

- Improve financial and in-kind support of our food bank and pantries
- Improve community outreach and networking within the food banking community and others to support the work
 - Engage in effective legislative advocacy for food justice
 - Educate and animate the parish family in the work of food justice
 - Promote sustainable food production local food sourcing

The core group will be meeting to discuss ways to organize and move forward on this work on Thursday, September 25th at 5:00pm meeting in Bix Hall on the St. Leo Campus. To learn more about this vital work of social justice and expressing faith, please join us.

For more information, please reach out to Rick Samyn, VM or Text at: 253 229-4114 or leave an email at larchelhoneybeekeeping@gmail.com

40 Days for Life is a non-violent, ecumenical prayer campaign focused on bringing about an end to the tragedy of abortion through community outreach, prayer and fasting for the pre-born and their mothers. Locally, that includes a daily, peaceful prayer vigil at an abortion facility in Tacoma's Hilltop. An attitude of respect for all is maintained throughout the 40 days, with all participants required to sign and follow a "Peace Pledge" to act prayerfully, compassionately and nonviolently in any encounters.

From September 24 to November 3, folks will be praying and fasting for protection of these unborn "least of these" and their mothers.

The KICKOFF GATHERING for the campaign will be held Saturday, September 20 at 1:00 at St. Patrick's Church hall - 1123 N. "J" St. Lunch will be provided and a guest speaker will inspire us. The theme is "CELEBRATE THE BABIES".

...Precisely because this involves the internal consistency of our message about the value of the human person, the church cannot be expected to change her position on this question... It is not 'progressive' to try to resolve problems by eliminating a human life..."

— Pope Francis' Apostolic Exhortation *Evangelii Gaudium* #213-214

Members from St. Leo the great and St. Charles Borromeo who participate do so in the spirit of the SEAMLESS GARMENT theology, which recognizes an interconnectedness between the various threats to the life and dignity of the human person. If you are interested in knowing more, becoming involved, or have any questions about this campaign, contact George (253) 961-5822 or Amy (253) 861-6936.
